

- (5) The Corporation agrees to the terms and conditions of any account agreement, properly opened by any Agent of the Corporation. The Corporation authorizes the Financial Institution, at any time, to charge the Corporation for all checks, drafts, or other orders, for the payment of money, that are drawn on the Financial Institution, so long as they contain the required number of signatures for this purpose.
- (6) The Corporation acknowledges and agrees that the Financial Institution may furnish at its discretion automated access devices to Agents of the Corporation to facilitate those powers authorized by this resolution or other resolutions in effect at the time of issuance. The term "automated access device" includes, but is not limited to, credit cards, automated teller machines (ATM), and debit cards.
- (7) The Corporation acknowledges and agrees that the Financial Institution may rely on alternative signature and verification codes issued to or obtained from the Agent named on this resolution. The term "alternative signature and verification codes" includes, but is not limited to, facsimile signatures on file with the Financial Institution, personal identification numbers (PIN), and digital signatures. If a facsimile signature specimen has been provided on this resolution, (or that are filed separately by the Corporation with the Financial Institution from time to time) the Financial Institution is authorized to treat the facsimile signature as the signature of the Agent(s) regardless of by whom or by what means the facsimile signature may have been affixed so long as it resembles the facsimile signature specimen on file. The Corporation authorizes each Agent to have custody of the Corporation's private key used to create a digital signature and to request issuance of a certificate listing the corresponding public key. The Financial Institution shall have no responsibility or liability for unauthorized use of alternative signature and verification codes unless otherwise agreed in writing.
