21st CCLC Request for Proposals

NOTICE: 21st CCLC Program Request for Proposal (RFP) Update October 3, 2019

In evaluating the availability of funding for a new competitive application (RFP) for the 21st Century Community Learning Centers (CCLC) program, the Georgia Department of Education (GaDOE) must forecast its financial commitment to sustaining existing cohorts of 21st CCLC subgrantees. Currently, based on the forecast for the next two fiscal years (FY21 and FY22), the GaDOE anticipates utilizing all new funding from the U.S. Department of Education to sustain two existing cohorts. The first is the FY18 Cohort whose five-year grant cycle ends in FY22, and the second is the FY20 Cohort whose grant cycle ends in FY24. Therefore, at this time, there is no new competitive RFP scheduled for release until late Summer of 2021. If Federal funding levels increase at any time, the availability of an earlier release will be evaluated. The GaDOE will continue to post information regarding any new RFP updates to this webpage.

By providing funding through a Statement of Need (SoN) solicitation process, the Afterschool Care Program partners with community-based organizations and public agencies throughout the state of Georgia who provide services to youth and their families. The goals of the DFCS Afterschool Care Program are to:
