Certification Requirements

Direct Classroom Expenditure Control

The Main Street Academy implements a School-wide Enrichment Model that emphasizes instruction in the expressive arts, physical education and foreign language; flexible learning groups; and extended school hours. The certification requirements waiver permits The Main Street Academy to achieve its performance goals by ensuring it will be able to hire teachers who are best suited to meet the needs of the student body and to effectively deliver the curriculum. All professional staff is certified or an expert in the area in which they are teaching. The Main Street Academy spends all public funds in accordance with the laws and rules applying to charter schools. The Main Street Academy has rolled over any excess money from QBE Funds to the following year to improve upon or expand instructional programs and resources. This includes

21. What have you done to ensure academic success with the suspension of the annual state assessments?

The Main Street Academy utilizes i-Ready a comprehensive assessment and instruction program that empowers educators with the resources they need to help all students succeed. Its online assessment and instructional toolbox helps teachers provide all students a path to proficiency and growth in reading and mathematics.

Student Academic Advisory - all instructional staff and leadership are assigned 10-13 students - focus on goal setting, assistance, and celebration. Students will converse with their advisors monthly about their academic progress and receive guidance for accomplishing their goals.

22. What changes, if any, have you implemented during the pandemic to ensure operational excellence?

The Main Street Academy has revised the school safety plan to include COVID-19 protocols for students, staff, contractors, and visitors.
