

TMSA | End of Year Community Survey

As we close out the 2018-2019 school year, we are eager to learn more about your experience this past year. Please complete this anonymous survey and press 'submit' for your voice to be heard.

In the Spring and Summer of 2018, the Governing Board and administrators set out to improve key areas in parent satisfaction. Those areas were: communications, academics, extracurriculars, talent/teacher performance, culture, facilities and operations. This survey allows us to learn from our TMSA community about what has improved, and what we should be working towards in the future.

This data will be reviewed by all members of the Governing Board. The data and comments collected from this survey will be used to inform our planning and alignment to TMSA's Strategic Plan over the summer and into the 2019-2020 school year, as we work to create the very best outcomes for students and families.

Thank you in advance for your participation.
